The vehicle made its debut in 2004 as official Iveco truck. Specifically prepared for African's raid, the Iveco 140 E 24 T4 has already participated in various competitions, both in race and as vehicle for fast assistance. In 2005, Markku Alen was in race with the Iveco T4 and he finished fourth overall. After the participation in 2007 edition, the truck successfully returned at the Dakar Argentina Chile 2009, with Renato Rickler Del Mare, Franco Giuntoli and Silvio Totani. In 2011, team still choose the powerful Iveco 140 E 24 T4 to another great adventure to Dakar.
